# NORTH DAKOTA RECREATION & PARK ASSOCIATION

---

## Mission

Advancing parks, recreation and conservation for an enhanced quality of life in North Dakota.

## Membership

NDRPA has almost 900 members across the state. Members are recognized in this biannual directory with an asterisk (\*) after their name. Any individual or organization with an interest in parks, recreation, natural resources, and/or tourism in North Dakota is encouraged to join NDRPA in one of the following categories:

- **Agency** – An independent park or recreation board.
- **Professional** – An individual who is employed and responsible for planning, organizing and supervising or operating parks, recreational programs, leisure services, recreation areas or facilities, conservation and recreational use of natural resources, therapeutic recreation, or educating students.
- **Education: University/College/Junior College** – A two- or four-year university or college with an undergraduate or graduate program for parks, recreation or leisure.
- **Education: Student** – An undergraduate or graduate student at any university, college or vocational school.
- **Allied: Organization** – A state agency, public entity, nonprofit, or other non-commercial organization interested in the fields of recreation, leisure services, parks, conservation, tourism, fitness, therapeutic recreation, health and wellness, or recreational use of natural resources.
- **Allied: Individual** – An individual who is not eligible to be a professional member but supports the NDRPA mission.
- **Commercial** – All for-profit or commercial organizations interested in parks and recreation.

## NDRPA History

NDRPA is a 501(c)(3) nonprofit membership organization. It was established in 1965 and is governed by an elected board of directors representing all regions of North Dakota. NDRPA is a state affiliate of the National Recreation and Park Association – [www.nrpa.org](http://www.nrpa.org).

## NDRPA Strategic Goals

- Member Services: Provide training, information and networking for parks and recreation stakeholders.
- Policy Advocacy: Represent parks and recreation interests on public policy issues.
- Public Outreach: Promote the benefits of parks and recreation and the importance of conservation, health and wellness, and access.

Shaping the future,  
one project at a time

Landscape Architecture services  
to enhance our communities.
